Lights for Learning®

DESIGN IT. DEMONSTRATE IT. DELIVER IT!

2017 LIGHTS FOR LEARNING® POSTER CONTEST

Your artistic energy is needed to illustrate "Savings that Last." Share your energy efficiency knowledge through the Lights for Learning (L4L) Poster Contest. Submit your entry by **February 28, 2017** for the chance to win an awesome prize!

WIN A COOL PRIZE!

Contest winners will receive a "Shine On" energy efficiency kit that includes products that can save a household over \$1,000 on utility bills over time. Contents include: 5 energy efficient light bulbs, 2 holiday light strands, 1 LED nightlight, 1 low-flow showerhead, and 2 faucet aerators.

Winners will be announced in March. Winning students' photos and artwork will be featured on the Lights for Learning website. Visit www.lights4learning.org for full contest instructions.

ENTRY DEADLINE:

February 28, 2017

SUBMISSION INSTRUCTIONS:

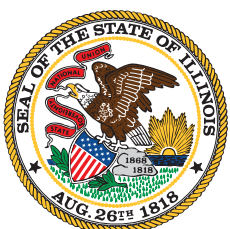

To submit, email a scanned copy of your poster as an attachment to info@lights4learning.org

POSTER INSTRUCTIONS:

Use: Paint, markers, crayons, or pastels (no colored pencils or water colors please).

Include: The following phrases: "Lights for Learning," and "Savings that Last."

Focus: Create an original poster promoting energy efficiency.
